O R D E R

Joseph C. Howlett filed a complaint with the Commission in which he requested water service from Kentucky Turnpike Water District ("Defendant"). In its Answer, the Defendant stated that it had agreed to satisfy the complaint. The Commission subsequently requested the Complainant to advise whether the Defendant has satisfied the matters complained of and whether he wished to proceed with his Complaint. The Commission advised the Complainant that his failure to submit any response to this request would be considered as evidence that the matters complained of had been satisfied.

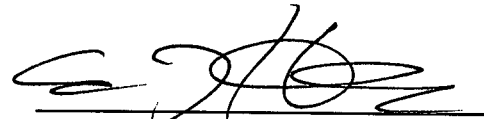

The time for Complainant to respond having passed and no response to its request having been received, the Commission finds that this matter should be dismissed and removed from the Commission's docket.

IT IS THEREFORE ORDERED that the Complaint is dismissed and this case is removed from the Commission's docket.

Done at Frankfort, Kentucky, this 30th day of December, 1997.
